PROFESSIONAL EXPERIENCE:

In 23 years as a defense and plaintiff attorney, I've litigated and settled hundreds of state and federal claims involving almost every possible kind of professional liability, legal malpractice, construction defect, construction accident, medical malpractice, commercial, civil rights, and personal injury claim. I'm a 5th generation Texan proud to have represented people and companies from Harlingen to Dalhart, from Midland to Texarkana, and dozens of big cities and small towns in between. The breadth of my experience from the most routine auto claim to multi-million-dollar, bet-the-company litigation makes me well-suited to help all kinds of plaintiffs and defendants find the common ground necessary to resolve their differences.
